Please Read

*There are three categories of fees that you will be charged to obtain this license plate:

A royalty fee is required for this plate. The proceeds of this fee go directly to the Team Gleason Foundation.

OMV collects an \$8.00 handling fee on all non-renewal vehicle transactions, as well as a one-time \$3.50 administrative fee for all specialty plates. There are also various convenience fees charged by OMV depending upon the payment method you select.

In order to issue this plate to your vehicle, OMV may be required to add additional months to your registration to give a full 2-year registration period. Any additional months would be factored into your total fees due. Credit for any months already applied to your vehicle registration will be given as well.
